Insights & Recommendations

Q: Which product categories are contributing the most revenue?

Insight:
Some categories perform better than others.

Recommendation:
Focus on high-performing categories and improve low-performing ones through marketing.

Q: Which sales channel performs the best?

Insight:
One channel generates more revenue.

Recommendation:
Invest more in the best-performing channel and improve weaker channels.

Q: Which countries generate the most revenue?

Insight:
Sales vary across countries.

Recommendation:
Expand in high-performing countries and improve strategies in low-performing regions.

Q: Which brands/products are top performers?

Insight:
Some brands and products drive higher sales.

Recommendation:
Focus on these for better inventory and marketing planning.
